LR 4  
LB 116

SPEAKER LUEDTKE: Are you asking a question of Senator Kremer?

SENATOR KREMER: Senator Kahle, the statute, if you will turn to your bill, LB 116 spells out who shall pick up the automobiles. It says that when it is within the city limits the city shall. When it is on county roads they shall. Then it goes on to say if it is on a state road it shall be the states responsibility. So it just strikes that section of the statute that says "except when it is on state property". It does leave the city with the responsibility, but when it is on a state road, out in the county, the county picks up the automobile. But, yes, the city still has responsibility.

SENATOR KAHLE: Thank you very much. I was concerned because many, many vehicles are sitting around in our cities. I'd hate to have the counties pick them all up.

SENATOR KREMER: This is true. I believe Douglas County picks up half the automobiles that are abandoned, I think something over 2,000 per year.

SPEAKER LUEDTKE: Any further discussion of LB 116? If not, Senator Kremer, would you care to close.

SENATOR KREMER: I have no closing, Mr. Chairman. I move the bill be advanced to E & R initial.

SPEAKER LUEDTKE: Motion then is to advance LB 116 to E & R initial. All in favor vote aye. Opposed nay. Record the vote, Mr. Clerk.

CLERK: 37 ayes, 0 nays, 10 present and not voting, 2 absent and not voting.

SPEAKER LUEDTKE: LB 116 is advanced to E & R initial.

CLERK: Mr. President, we have a resolution. (Read title to LR 4).

SPEAKER LUEDTKE: It will be laid over till the next legislative day. Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, I would like to ask a question to a member of the Executive Board for clarification of an issue which has become public and does relate to the welfare of the Legislature.

SPEAKER LUEDTKE: Would you state the point of the question. This is addressed to Senator Marvel, as Chairman of the Exec. Board?

SENATOR CHAMBERS: Yes.

SPEAKER LUEDTKE: Proceed. State your question.

SENATOR CHAMBERS: Senator Marvel, a ruling came from the Executive Board that legislators, my interpretation of the respective ruling is that for this session any member of the Legislature may hire a relative. Would you say that is the import of the ruling that was made the other day?
